

BHARATH SIMHA REDDY V

Technical Trainer (College and Corporate Trainer)

Bengaluru, Karnataka | bharathsimhareddyv19@gmail.com | +91 6362568172

PROFESSIONAL SUMMARY

- Result-driven Technical Trainer with 4+ years of experience in conducting training, and 2+ years of hands-on software development experience, delivering hands-on training for engineering colleges, universities, and corporate companies across India.
- Dedicated MERN and MEAN Stack Trainer with strong expertise in DevOps, cloud fundamentals, and full stack web development, skilled at simplifying complex technical concepts for learners of varied backgrounds.
- Proven ability in designing structured, industry-relevant curriculum, conducting hands-on workshops, boot camps, webinars, and mock interviews, and mentoring fresh graduates as well as working professionals.
- Possess excellent presentation, interpersonal, analytical, and team-building skills with a consistent record of successful training delivery, learner engagement, and project-based mentoring.
- Have trained over 5,000+ students and professionals across 15+ colleges and 10+ universities on technologies spanning Full Stack Development, DevOps, Cloud, and Python/ML fundamentals.

PROFESSIONAL SKILLS

Front-End Development

- HTML5, CSS3, JavaScript (ES6+), Bootstrap, Responsive Web Design
- React.js (Hooks, Context API, Routing, State Management), React Native, Angular CLI

Back-End Development

- Node.js, Express.js, REST API Development
- Python – Core Programming Fundamentals

Databases

- MongoDB, PostgreSQL, NoSQL Data Modeling

Cloud & DevOps

- AWS, Azure (Basics)
- Git, GitHub, GitHub Actions, Jenkins (CI/CD)
- Docker, Kubernetes (K8s)
- Maven, Gradle, NPM (Build Tools)

Machine Learning (Basics)

- Numpy, Pandas, Regression, Scikit-Learn, Matplotlib, Seaborn

Operating Systems & Tools

- Linux, Windows
- Git, GitHub, VS Code, Cursor, STS, Anaconda, Anti-Gravity
- Microsoft Office Suite

Emerging Technology Enthusiast

- Gen AI, Prompt Engineering, Vibe Coding, and AI-assisted development tools

TRAINING HIGHLIGHTS

- Delivered educational sessions, including boot camps, webinars, trainings, and mock interviews, at over 15+ colleges and 10+ universities across India.
- Trained over 5,000+ students and candidates in various colleges, universities, and corporates on Full Stack Development, DevOps, Cloud, and Python/ML technologies.
- Guided learners in building real-world, deployable projects including e-commerce applications, chat applications, and career portals.

PROFESSIONAL EXPERIENCE

Software Engineer — PCS Global Pvt Ltd

- Contributed to full stack application development using the MERN/MEAN stack, building and maintaining scalable, production-ready features.
- Worked on REST API development, database design, and integration with front-end applications.
- Collaborated with cross-functional teams to deliver features following coding best practices and version control workflows.

Freelance React Trainer — Independent *(June 2024 – Feb 2025)*

- Delivered focused React and Angular CLI frontend framework training for engineering institutions.

Technical Trainer — MS Soft Technologies, Hyderabad *(Mar 2022 – May 2024)*

- Delivered in-depth training programs on React.js, covering core concepts such as JSX, Hooks, Context API, routing, and state management.
- Mentored fresh graduates and working professionals in building real-world React applications.
- Conducted coding sessions, assignments, and live project guidance to improve learners' practical understanding.

Chief Technology Officer — Payashost (present)

- Leading technology strategy and full stack architecture decisions, overseeing development standards, and guiding the technical direction of the organization.
- Driving adoption of modern development practices across front-end, back-end, and DevOps workflows within the organization.
- Mentoring the technical team on best practices in coding, version control, and deployment.

Freelance Trainer and Software Developer — Independent / Multiple Institutions *(September 2025 – Present)*

- Delivering full stack, DevOps, and cloud training across multiple engineering colleges and universities pan-India (details below).

CORPORATE TRAINING ENGAGEMENTS

PCS Global Pvt Ltd

- Delivered structured training on Full Stack Development and DevOps for new hires and lateral entrants, covering front-end and back-end fundamentals along with CI/CD pipelines and cloud basics.
- Designed hands-on modules bridging academic knowledge with real-world development and deployment practices.

DevLustro Technologies Pvt Ltd, Bengaluru, Karnataka

- Trained interns on Full Stack Development covering programming fundamentals, the MERN stack, and hands-on project-based learning.
- Guided interns through the complete development lifecycle — from coding fundamentals to deploying working applications.

COMPANY SPECIFIC TRAININGS AND MOCK INTERVIEWS

Bizotic, Edrealm, Vikashtech Solutions, Finity Organization, PCS Global, Bytexel, Sambhram Institute, Black Bucks, Skilltrixa, Hitbullseye, Bitnest Technologies, ICT Academy, Careerport, Xplore, and many more..

FREELANCE TRAINING ENGAGEMENTS – INSTITUTIONS

- Bankura Unnayani Institute of Engineering – West Bengal (MERN Full Stack)
- Sardar Patel College – Hyderabad (React, Angular CLI – Frontend Framework)
- Sri Krishna College of Engineering and Technology – Coimbatore, Tamil Nadu (MERN Full Stack)
- PES College of Engineering – Mandya, Karnataka (UI Developer – Frontend Frameworks, in association with Infosys Foundation)
- DevLustro Technologies Pvt Ltd – Bengaluru, Karnataka (Interns Training – Full Stack, Programming Fundamentals)
- Lovely Professional University – Punjab (MERN Full Stack, DevOps, AWS)
- PESITM – Shivamogga, Karnataka (MEAN Full Stack)
- Sambram Institute of Technology – Bengaluru, Karnataka (MERN Full Stack + Vibe Coding, DevOps, AWS, Python, ML Basics)
- MVSR Engineering College – Hyderabad, Telangana (React and DevOps Trainer)

- RR Group of Institutions – Lucknow, Uttar Pradesh (MERN Stack Trainer)

LIST OF COLLEGES AND UNIVERSITIES WHERE I OFFERED TRAINING

- Lovely Professional University (LPU) – Punjab
- Sardar Patel College – Hyderabad, Telangana
- Bankura Unnayani Institute of Engineering – West Bengal
- Sri Krishna College of Engineering and Technology – Coimbatore, Tamil Nadu
- Sri Krishna Engineering College – Coimbatore, Tamil Nadu
- PES College of Engineering – Mandya, Karnataka
- PESITM – Shivamogga, Karnataka
- Sambram Institute of Technology – Bengaluru, Karnataka
- MVSR Engineering College – Hyderabad, Telangana
- RR Group of Institutions – Lucknow, Uttar Pradesh
- Malla Reddy College – Hyderabad, Telangana
- Vishnu Women's University – Bhimavaram, Andhra Pradesh
- Vishnu Engineering College of Technology – Bhimavaram, Andhra Pradesh
- ...and many more.

EDUCATION

Bachelor of Science (B.Sc.) in MPCs (Mathematics, Physics, Computer Science)

Osmania University , Hyderabad — CGPA: 8.16

PERSONALITY SKILLS

- Teaching & Mentoring – Strong ability to guide students with step-by-step learning.
- Communication – Clear and engaging presentation of complex topics.
- Problem Solving – Helping learners debug and optimize applications.
- Curriculum Design – Creating structured and industry-relevant training programs.
- Team Collaboration – Coordinating with institutions and training groups.
- Adaptability – Handling diverse learners with varied technical backgrounds.
- Flexibility and Adaptive
- Quick Learner
- Helping students in completing their projects.

LANGUAGES KNOWN

Hindi, English, Kannada, Telugu, Tamil (Beginner)
